**VOLUNTARY ANNOUNCEMENT – BUSINESS UPDATE:
DEVELOPMENT OF FUND ADMINISTRATION SYSTEM**

This is a voluntary announcement made by Finsoft Corporation (“**Company**”, together with its subsidiaries, the “**Group**”) for keeping the shareholders and potential investors of the Company informed of the latest business development of the Group.

The board (“**Board**”) of directors (“**Directors**”) of the Company is pleased to announce that the Group has commenced a new project to develop a fund administration and portfolio analysis management system (“**System**”) as a new series to its portfolio of internet financial platforms. The System will be a comprehensive suite of integrated solution modules which features the functions of portfolio analysis and simulation, compliance monitoring, risk management, trade execution, performance attribution, client report, back-office reconciliation etc. and is designed specifically for use by fund and wealth managers and institutional investors to facilitate their finance operations and investment administration.

As at the date of this announcement, the Group has successfully obtained the support from one of its customers (“**Customer**”) who has entered into a service agreement with the Group dated 29 December 2014 in respect of the licensing and/or provision by the Group to the Customer of the System or such other services (“**Services**”) to be more specifically set out in the definitive software agreement to be entered into by the parties at a service fee of HK\$20,000,000.

The Group consider that the System can open up a new income stream under the business segment of other internet financial platforms of the Group in the future. The Group will further explore any development opportunity to expand its business to areas with growth potentials.
