UPDATES ON THE FINANCIAL PERFORMANCE OF THE GROUP

This announcement is made by Finsoft Financial Investment Holdings Limited (“**Company**”, together with its subsidiaries, “**Group**”) pursuant to Rule 17.10 of the Rules (“**GEM Listing Rules**”) Governing the Listing of Securities on the Growth Enterprise Market (“**GEM**”) of The Stock Exchange of Hong Kong Limited (“**Stock Exchange**”) and the Inside Information Provisions (as defined in the GEM Listing Rules) under Part XIVA of the Securities and Futures Ordinance (Chapter 571, Laws of Hong Kong).

The board (“**Board**”) of directors (“**Directors**”) of the Company wishes to inform the shareholders of the Company and potential investors that, based on the information currently available to the Board, the Group is expected to record a loss for the year ended 31 December 2016 (“**FY2016**”) from its continuing operations but such loss is expected to be reduced by around 50% as compared with the loss from its continuing operations for the year ended 31 December 2015 (“**FY2015**”) of approximately HK\$16.9 million. Such improvement was mainly due to the increase in revenue and gross profit from the financial trading software solutions business. The Group also expects to record a profit from its discontinued operations of about HK\$19.4 million for FY2016. Taking into account the Group’s continuing and discontinued operations for FY2016 as a whole, the Group is expected to record a profit attributable to the owners of the Company (as opposed to a loss of approximately HK\$15.9 million for FY2015).

The information contained in this announcement is only based on the preliminary assessment by the management of the Company of the unaudited consolidated management accounts of the Group for FY2016 and is not based on any figure or information which has been audited or reviewed by the Company’s auditors. The Company is in the process of finalising the consolidated results of the Group for FY2016. Details of the financial information and performance of the Group will be disclosed in the results announcement for FY2016, which is expected to be published in late-March 2017.
